

Attend A **SECONDARY PROJECT LEARNING TREE**

Educator's Workshop

Date

Time

Place

Cost

To register, or for more information, contact the workshop leader.

Project Learning Tree is an international environmental education program emphasizing forest resources. The workshop will offer exciting new teaching ideas for use in science, math, social studies, language arts, and environmental education classes. All activities are correlated to Wisconsin's Model Academic Standards.

Each participant will receive activity guides and a packet of resource materials.

Project Learning Tree in Wisconsin is sponsored by the
Department of Natural Resources.
